III. Healthy San Diego (HSD)	Quality Improvement (QI) Subcommittee Report				
(Krista Riganti, QI Chair)	 Health Education & Cultural (HE/CL) Linguistics Workgroup The workgroup is focusing on the 2018 work plan and trying to decide who will be chair next year They are working on their draft charter. All the workgroups that have a MOA will draft a charter. Facility Site Review Workgroup (FSR) The workgroup discussed that we now have UnitedHealthcare onboard and Aetna will be coming in January There are four problem sites that didn't get 80% on their review or didn't turn in there corrective action plan in a timely manner. UnitedHealthcare and Care1st are going to conduct visits to the sites. Consumer Center for Health Education & Advocacy (CCHEA) We had our Trauma Informed training and we are looking forward to trying to use this information and how we can holistically treat people who have multiple problems We have lost two people on our advisory board. We are looking for people to replace them, especially from the older adult communities. The meeting is once a month and lunch is provided. Health Plan Workgroup (HPWG) There was a discussion regarding Hepatitis A. 211SanDiego will refer our clients back to the health plans, if applicable.				

Kim Fritz will send a notice out to remind the providers of the Hep A benefit. -We will be relooking at the school clinics offering CHDP and look at the requirements for the health plans -We are working with the County on the MSSP agreement, which expires at the end of the year • Community Based Adult Services (CBAS) Ad Hoc Workgroup -We had our call and UnitedHealthcare and Aetna were invited. We discussed the contact person for UnitedHealthcare to ensure we know who to contact and what authorization forms to complete. -We discussed the non-medical transportation provided by the health plans. CBAS still provides their own transportation. -We have our California Association of Adult Day Services Conference November 6-8 in Anaheim • California Children Services Workgroup -There are updated regulations regarding the medical transportation and non-medical transportation. We discussed and clarified the language to ensure we have common understanding of the regulations. -The Chief position is still vacant. If you have any issues you would normally direct to Ester, please direct them to Alex Kahn. -The Rady's pilot is moving forward. The health plans were not aware and we will be contacting Rady's to find out how to be active partners. Christine Lazott will provide a contact. -We received notice from the State that UCSD NICU received full approval • We need to reach out to Rady Children's Hospital for a representative at the HSD Joint Meeting • Behavioral Health Services -There is a Behavioral Health Integration Summit on December 7th, at the Jacobs Center. V. Action Items				
Approval of minutes	September 14, 2017 meeting minutes approved as written			
from previous meeting				
VI. Chairs' Reports				
A. Health Services	The advisory board had a retreat for the last meeting. The			
Advisory Board	essence of the retreat was to empower committee structures			
(HSAB)	and members to be more active and pro-active. We also			
(Co-Chairs)	discussed how to advise the Agency Director and the BOS.			
B. CCI/Cal MediConnect	Carol Neidenberg Reporting			
Advisory Committee	• In September, there were a total of 1,189 calls to the			
Update	Consumer Center. Many beneficiaries call and are not aware			
(Greg Knoll)	of the program. CCHEA educates them on the services of the			
(5.535.)	program.			
C. Behavioral Health	There was discussion regarding network adequacy and the			
Workgroup (BHWG)	issue with a shortage of psychiatrists in the county. This lead			
_ ,	to Optum Health Public Sector (the fee for service network)			
(George Scolari)	losing two providers that treated almost 800 members losing			
	their psychiatrist. We are looking at alternative methods. If a			
	person is stable, at what point do they get followed by their			
	primary care doctor. We are looking at what we can do to			
	make primary care doctors feel more comfortable.			
	 Psychologists, Dr. Gupta and Dr. Lincoln, gave a presentation 			
	regarding their push for legislation to get psychologist with			
	training to prescribe psychiatric medications			
VII. Information/Updates (Written or Oral)				
A. Public Health	Caryn Sumek Reporting			
Services (PHS)	 Hepatitis A - There have been 490 diagnosed, 342 have been 			
(Sayone	hospitalized, and 18 deaths. We have a Hep A website that			
Thihalolipavan, MD)	has the latest numbers and resources.			
B. Medical Care Services	We have been working with Public Health Services on an			
Division (MCSD)	implementation plan for our new local oral health plan dollars			
(Dean Sidelinger, MD)	that is part of the tobacco tax, that was recently passed. Part			
	of it is increase coordination between primary care and dental			
	providers. If you have any programs, incentives, quality			
	improvement efforts that you have on dental referrals or oral			
	health initiatives, please let me know.			
C. Healthy San Diego	• There are 99.5% in managed care, which remains stable	Angela to		
(Caryn Sumek)	• The default rate is 33%	send the		
	Children's Medi-Cal numbers are still down	statistics to		
	-Dean Sidelinger - CHIP, which is part of Medi-Cal, was a 5-year	the HSD committee		
	authorization, but the funding has not been passed yet. Our	committee		
	State has money until about December. We transferred about			
	47,000 Healthy Families children to Medi-Cal in 2013.			
	47,000 Healthy Families Children to Medi-Cai in 2013.
